\*Executive Committee

Dear Parent or Guardian,

Join the Spring Branch Legacy!!! You are cordially invited to honor your 5th grade, 8th grade or 12th grade graduate by making a donation in his/her honor to the Fund for the Future Endowment 2018 Legacy Campaign.

The Fund for the Future Endowment 2018 Legacy Campaign will recognize your student and perpetuate your family’s commitment to providing every Spring Branch Independent School District student with an outstanding education. As the endowment grows, it will provide a secure source of long-term funding for enrichment programs that will continue to benefit generations of SBISD students.

Based on the donation level chosen, honorees will be recognized in the SBEF Annual Report, on the Spring Branch Independent School District website and on a plaque displayed at your student’s school.

Funds donated to the endowment’s 2018 Legacy Campaign will become part of an enduring, ever-expanding resource to provide new opportunities for students and teachers. Income from the endowment cannot be diverted outside our district or be used for any purpose other than to enhance the quality of the educational experience for SBISD students.

Because of your participation in the Fund for the Future endowment’s 2018 Legacy Campaign, all SBISD students, regardless of economic, social, or cultural circumstances, will continue to have an unlimited opportunity for an outstanding education in order to pursue their dreams. Our community, our state, and our country will reap untold benefits from your support for decades to come.

Consider honoring your student’s achievement by contributing to this legacy. Go online to <https://sbef.ejoinme.org/Legacycampaign> or complete and return the enclosed form to the Spring Branch Education Foundation, 955 Campbell Road, Houston, Texas 77024, before the April 13, 2018 printing deadline.

Sincerely,

Lisa Schwartz  
Chairman  
Spring Branch Education Foundation
